Welcome to Foundation Academy. Our staff is pleased to have you here as a student and as a supportive parent. We will do our best to help your experiences here productive and successful. This Parent-Student Handbook has pertinent information, rules and regulations in it; therefore, it is important that every parent and student read and become familiar with its contents. This handbook is developed so we can have a safe and organized program, as well as, create an understanding between students, parent and the Academy.

The administration and staff appreciate your support. We hope that your child's school year will not only be educational, but enjoyable. The role of a parent is vital. In order to ensure a safe environment for students, faculty, administrators and the general public, we now have new procedures due to the COVID19 situation.

The Academy Board of Trustees encourages students, staff, administration and parents to review this document and submit proposed modifications to the Head of School's office no later than March 1 of each school year. The Head of School will then compile all such recommendations and will provide for a review of the Parent Student Handbook.

This student handbook was developed to answer many of the commonly asked questions that families may have during the course of a school year. Because the handbook also contains information about student rights and responsibilities, each student is responsible for knowing its contents. Please take time to become familiar with the following information and keep the handbook available for your use. It can be a valuable reference during the school and a means to avoid confusion and misunderstanding when questions arise. Should you have any questions that are not addressed in this handbook, contact the Head of School.

This handbook supersedes all prior handbooks and other written or oral statements regarding any item in this handbook. This handbook should not be construed to accord any rights or privileges to students or families beyond those accorded by law. This handbook may be revised at any time, with or without notice.

If at any time during the school year you have questions, suggestions, or concerns, please do not hesitate to contact the Academy. The Academy and parents are a working partnership in providing your child(ren) with the best educational opportunities possible. **PLEASE SIGN AND RETURN THE ACKNOWLEDGEMENT PAGE AND RETURN IT TO SCHOOL WITH YOUR CHILD. THIS WILL LET US KNOW THAT YOU HAVE RECEIVED AND READ THE HANDBOOK. THANK YOU FOR YOUR COOPERATION IN ADVANCE.**

EQUAL EDUCATION OPPORTUNITY

It is the policy of this Academy to provide equal educational opportunities for all students. Any person who believes that the Academy or any staff person has discriminated against a student on the basis of race, color, creed, age, disability, religion, gender, ancestry, national origin, or other protected characteristics, or social or economic background, has the right to file a complaint. A formal complaint can be made in writing to the Academy's Head of School. The complaint will be investigated and a response, in writing, will be given to the concerned person within 30 days. Under no circumstances will the Academy threaten or retaliate against anyone who raised or files a complaint.

TESTING AND COMPULSORY ATTENDANCE

The Academy is a community school established under Chapter 3314 of the Ohio Revised Code. The Academy is a public school and students enrolled in and attending the Academy are required to take achievement tests and other examinations prescribed by law. In addition, there may be other requirements for students at the Academy that are prescribed by law. Students who have been excused from the compulsory attendance law for the purpose of home education as defined in the Administrative Code shall no longer be excused for that purpose upon their enrollment in a community school. For more information about this matter contact the Head of School or the Ohio Department of Education.

STUDENT RIGHTS AND RESPONSIBILITIES

The rules and procedures of the Academy are designed to allow each student to obtain a safe, orderly, and appropriate education. STUDENTS ARE EXPECTED TO FOLLOW TEACHERS' DIRECTIONS AND OBEY ALL ACADEMY RULES. Disciplinary procedures are designed to ensure fairness before a student is removed from curricular activities because of his/her behavior. Students may be removed from extracurricular activities as well from the Head of School or the person responsible for directing, supervising or coaching an activity.

This Academy recognizes the learning rights of everyone. When a student is causing an unsafe condition and/or is stopping the teacher from teaching, the child must have a discipline consequence. This ensures the learning rights of others. Students in the Academy system have the responsibility to act in such a way as not to interfere with the rights of others in the same educational opportunity. BY ACCEPTING THE RIGHT TO PARTICIPATE IN THE ACADEMY PROGRAMS ON OR OFF ACADEMY PROPERTY, STUDENTS SHALL ACCEPT THE RESPONSIBILITY TO CONDUCT THEMSELVES ACCORDING TO THE RULES AND REGULATIONS AND PROVISIONS GOVERNING THE OPERERATION OF THESE PROGRAMS.

The Academy's Head of School is responsible for establishing and enforcing procedures necessary to ensure that student rights are preserved and that accompanying responsibilities are carried out. Students may forfeit certain rights when it can be demonstrated that they are not assuming or showing responsibility. There is a right of appeal by students who believe their rights have been violated. An appeal process for suspension and expulsion is outlined in the appropriate sections of the guidelines. It should be noted that the Academy's Head of School must use discretionary judgement in taking disciplinary action.

Parents have the right to know how their child is succeeding in the Academy and will be provided information on a regular basis and as needed, when concerns arise. Many times it will be the student's responsibility to deliver that information. If necessary, the mail or hand delivery may be used to ensure contact. Parents are encouraged to build a partnership with their child's teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

The staff expects students to be prepared to learn whether the is in traditional, hybrid or on-line programs. It is the student's responsibility to complete all assignments each day.

3. Actions such as shouting, vulgar language, confrontation of students, administrators, employees or other persons on or in the school property or disruptions to the educational environment are not allowed, since they represent a possible threat to safety. All adults should role model appropriate behavior, especially in front of their children. These guidelines also include a phone conference. If a parent uses vulgar and aggressive speech, all staff will be instructed to disengage in this conference call and hang up.

* Policy during COVID19 situation

STUDENT WELL-BEING

Parents are responsible for doing daily temperature checks and symptom evaluations prior to sending their child(ren) to school each day*.

A working phone number must be on file at the school. If your phone number changes, the school office needs to know immediately.

The Academy requires that all students must have an emergency medical form completed, signed by a parent or guardian, and filed in the main office. A student may be excluded from the Academy until this requirement has been fulfilled by September 18, 2020.

Student safety is the responsibility of the staff. All staff members are familiar with emergency procedures such as fire and tornado drills and accident reporting procedures. Should a student be aware of any dangerous situation or accident, she/he must notify any staff person immediately.

Parents of students with specific health care needs **MUST** submit those needs, in writing and with proper documentation by a physician, to the Academy office. The Academy retains the discretion to reject requests for administration of medicine. (See Use of Medication section.) The Academy will permit a student to possess and use an asthma inhaler upon compliance with the Academy's medication policy.

*Policy during COVID19 situation

All parents are required to supply address, ***current and working*** telephone number and health information for emergency procedures when a child is ill. This information helps the Academy decide what to do when a child becomes sick or has an accident while in school. Parents are required to keep this information up to date, especially the telephone numbers for home and work.

Enrollment- Emergency forms are provided at the beginning of each school year. ***Parents are required to contact the Academy when any of the information on the emergency form changes.*** These forms MUST be on file in the main office by September 18, 2020.

A student who becomes ill during the school day should request permission from his/her teacher or aide to go to the office. The office will determine whether or not the student will remain in school.** No student will be released from school without proper parental permission.

USE OF MEDICATIONS

The Academy's policy allows medication to be administered by the Head of School, her designee, or the nurse under the following conditions:

1. Parents must have a medication permission form completed to administer medication. Doctor's instruction including student's name and address, name of medication, dosage, date and time of administration, possible side effects, any special instruction and doctor's signature are needed to complete this form.
2. New medical request forms must be submitted each school year and as necessary for changes in medication orders.
3. Medication must be in original container and have affixed label including the student's name, name of medication, dosage, route of medication, and time of administration.
4. It is required that the medication and the signed permission forms be brought to the Academy by the parent or guardian. Students cannot transport medication - this also includes over-the-counter medication.
5. Non-prescription medications, such as Tylenol, cold remedies, etc. will be treated as prescription medication as in #1 above. Parents may, at their choice, come to the Academy and administer medication to their child. Cough drops may be allowed with written parental permission at the discretion of the Head of School.
6. **Students are NOT permitted to keep medication of any kind on their person, in their lunch boxes, desks or lockers unless prior permission has been given as outlined in #7.**
7. If the student is authorized by his/her physician and the written approval of the parent or guardian to carry a new asthma rescue inhaler and self-medicate, all the steps 1-3 will be required. The physician's written approval shall also include instructions that outline procedures that Academy personnel should follow in the event the asthma medication does not produce the expected relief from the student's asthma attack, and identification of any severe adverse reactions that may occur to the child using the inhaler and it should be reported to the physician, and any severe adverse reactions that may occur to another child, for whom the inhaler is not prescribed, should such a child receive a dose of the medication, and at least one emergency telephone number for contacting the physician in an emergency, and at least one emergency telephone number for contacting the parent or guardian in an emergency, and any other special instructions from the physician.
8. If a student shows unsafe or irresponsible behavior, the right to self-medicate may be revoked.

The Academy retains the discretion to reject requests for administration of medicine.

CONTROL OF CASUAL-CONTACT COMMUNICABLE DISEASES AND PESTS

Because the Academy has a high concentration of people, it is necessary to take specific measures when the health and/or safety of the group are at risk. The Academy's professional staff has the authority to remove or isolate a student who has been ill, has an undiagnosed rash or has been exposed to a communicable disease or highly transient pest, such as lice and bedbugs. Please note the school has routine pest control inspections as well.

Specific diseases include: diphtheria, scarlet fever, ringworm, strep infection, whooping cough, mumps, measles, rubella, pink eye, impetigo, and other conditions indicated by local and state health departments.

If a child contracts a communicable disease, the Academy office should be notified as to the nature of the illness and the student shall not return to the Academy until a Physician give him/her written permission to do so. This is a means of protecting all children. Any removal will only be for the contagious period as specified in the Academy's administrative guidelines.

CONTROL OF NON-CASUAL CONTACT COMMUNICABLE DISEASES

In the case of non-casual contact communicable diseases, the Academy still has the obligation to protect the safety of the staff and students. In these cases, the person in question will have his/her status reviewed by a panel of resource people, including the applicable Board of Health, to ensure that the rights of the person affected and those in contact with that person are respected. The Academy will seek to keep students and staff persons in the Academy unless there is definitive evidence to warrant exclusion.

Non-casual contact communicable diseases include sexually transmitted diseases, AIDS, AIDS related complex, HIV, Hepatitis B, and other diseases that may be specified by state law, or applicable regulation.

Parents will be requested to give consent to have their child's blood checked for HIV, HBV, and other blood borne pathogens when the child has bled at the Academy and students or staff members have been exposed to the blood. Any testing is subject to laws protecting confidentiality.

HEAD LICE - Any child found to have head lice will be temporarily excluded from the Academy until ALL nits and or live lice are removed from the child's head. The excluded child will be rechecked for head lice by the Academy prior to being allowed to return to class. As a precaution, the child will be rechecked within 10 days after returning to class for possible re-infestation.

BED BUGS - Foundation Academy has a procedure in place for when/if we find bed bugs that have been brought to school. We will aggressively take measures to eradicate any bed bug once they are found. Included in these measures may include carpet cleaning, bagging student clothing, traps, as well as hiring a Professional exterminator. If you have bed bugs in your home, please report it to the school. For additional information or questions about bed bugs in your home, contact the health department at 419-774-4700 or on the web at www.richlandhealth.org or <http://centralohiobedbugs.org>.

AMERICANS WITH DISABILITIES ACT - SECTION 504

The American's with Disabilities Act (A.D.A.) requires the Academy to ensure that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but also to all individuals. Students with disabilities may be served within the regular education program with an accommodation plan developed by Academy staff. Parents, who believe their child may have a disability that substantially limits the child's ability to function properly in the Academy, should contact the Head of School. The Academy has adopted the Model Procedures for the Education of Children with Disabilities, and will serve its students with disabilities.

SPECIAL EDUCATION

The Academy provides a special education program for students identified as having a disability defined by the Individuals with Disabilities Education Improvement Act (IDEIA). We offer an inclusion model where students are in a regular education classroom with support services provided by a licensed Special Education Teacher. A student can access special education services through the proper evaluation and placement procedure. Parent involvement in this procedure is required. More importantly, the Academy wants the parent to be an active participant. To inquire about the procedure or programs, a parent should contact the Head of School. For potential IEP enrollment, a conference is held with the Head of School to discuss

appropriate services can be offered. The Academy has adopted the model procedures for the education of children with disabilities, and will serve its students with disabilities consistent with the model procedures.

STUDENT RECORDS

Confidential records contain educational and behavioral information that has restricted access based on the Family Educational Rights and Privacy Act (FERPA) and Ohio law. This information can only be released with the written consent of the parents, the adult student, or a surrogate, subject to limited exceptions. Included in the confidential records may be test scores, psychological reports, behavior data, disciplinary actions and communications with the family and outside service providers. Confidential information that is in a student's record that originates from an outside professional or agency may be released to the parent only with permission of the originator. Such records shall be placed in a student's file only with knowledge of the parent. Parents may obtain such records from the originator and should maintain them in a home file. Parents may also provide the Academy with copies of records made by non-Academy professional agencies or individuals.

Students and parents have the right to review all educational records generated by the Academy, request amendment to these records, insert addendums to records, and obtain copies of such records. Copying costs may be charged to the requestor. If a review of records is desired, please contact the building Head of School, in writing, stating the records desired. The records will be collected and an appointment will be made within forty-five (45) days of the request with the appropriate persons present to answer any questions there may be.

STUDENT FEES, FINES AND CHARGES

The Academy charges specific fees. Such fees or charges are determined by the cost of materials, freight/handling fees, and add-on fees for loss or damage to Academy property. The Academy and staff do not make a profit. Students using Academy property and equipment, including computers, chargers, textbooks, lockers and desks can be fined for excessive wear and abuse of the property and equipment. The fine will be assessed at replacement cost. Computers and chargers are a total cost of \$275 (computer \$250/chargers \$25), and the average textbook cost is \$40. The Academy may withhold a student's grade and or credit for failure to pay assessed fees for materials used in a course of instruction other than textbooks or electronic textbooks.

REVIEW OF INSTRUCTIONAL MATERIALS AND ACTIVITIES

Parents have the right to review any instructional materials being used in the Academy. Any parent who wishes to review materials must contact the Head of School prior to coming to the Academy. Parents' rights to review teaching materials and instructional activities are subject to reasonable restrictions and limits.

CAFETERIA/STUDENT EATING AREA

The cafeteria /student eating area is now restricted due to COVID19*.

Applications for the Academy's Free and Reduced-Meal program are available in the main office for all students. A new application may be completed at any time during the school year. Foundation Academy now participates in the CEP program where all students eat free. A household income survey is still required to be completed.

FIRE, TORNADO AND LOCKDOWN DRILLS

The Academy has a multi-hazard plan in place and practices all necessary drills, such as fire, tornado and lockdown drills in compliance with State regulations and laws.

According to the safety laws all types of drills are in accordance with State law. Fire drills are practiced monthly, tornado drills are practiced during tornado season and lock down drills are practice three times within the school year.

Specific instructions on how to proceed will be provided to students by their teachers who will be responsible for safe, prompt, and orderly evacuation of the building. Violation of this policy may lead to disciplinary action.

EMERGENCY CLOSINGS AND DELAYS

If the Academy must be closed or the opening delayed because of inclement weather or due to COVID19*, it will be on local radio and television stations. Parents and students are responsible for knowing about closing and delays. There may be some emergency instances which will require the Academy to be closed early. It is extremely important that parents discuss with their child emergency procedures that they should follow in the event the academy is closed. In the event of school closures, traditional/hybrid learners will also have their lesson delivery set up online.

To sign up for *Closing Bell*, which gives a free text letting you know when Foundation is delayed or closed, go to WMFD-TV webpage and click on Texting Tab at the top. On the next screen go to the box on the top left, "Closing Bell to your Cell" and follow the prompts. You must have internet on computer or phone. You can receive a FREE text or email. Contact the station with any questions you may have.

USE OF ACADEMY MEDIA

Books are among the most valuable assets of the Academy. Books must be checked out and checked in appropriately. Students are held responsible for books checked out to them. Students not returning books or causing damage to them will be charged for the book replacement. Violation of this policy may lead to disciplinary action.

USE OF ACADEMY EQUIPMENT AND FACILITIES

Students must receive the permission of the teacher before using any equipment or materials in the classroom and the permission of the Head of School to use any other Academy equipment or facility. Students will be held responsible for the proper use and safe-keeping of any equipment or facility they are allowed to use. Students using inappropriate internet sites will lose computer privileges; therefore, using "paper-pen activity" for substituting the required assignment. Violation of this policy may lead to disciplinary action. Outside individuals or organizations may request a Building permit from the Academy office.

LOST AND FOUND

A lost and found area is located in the building. Students may check for lost items in the main office. Parents are invited to come and look for lost items. Lost items or valuables found in or around the Academy should be turned in to the main office. Parents are asked to mark each child's coats, sweaters, hats, boots, backpack, and lunch boxes for identification. Unclaimed items will be given to charity at the end of each quarter.

STUDENT SALES AND FUNDRAISING

No student is permitted to sell any item or service in the Academy without the approval of the Head of School. Violation of this policy may lead to disciplinary action. For example, trading or selling of the following items is not allowed: radios, CD's, CD players, tape recorders, toys, cell phones, dolls, trading cards and other spare time items. These items or others like them shall not be brought to the Academy unless the teacher or Head of School has given specific information.

*policy during COVID19 situation

The Academy has usually two fundraising events each year to help raise funds for various activities or equipment. Students are not forced to participate. Families who choose to participate and collect monies on behalf of the school will be responsible for following the given procedures.

USE OF TELEPHONE AND CELL PHONES

Students are not permitted to make calls/send texts unless the Head of School or teacher gives permission. ***If a student is sick, he/she will be sent to the office and the call will be made by an adult in the main office.*** A child is not allowed to call the parent and asked to be picked up. In keeping with truancy procedures, a school official will determine if a call should be made. If a student is upset and wants to call home, they must get permission from a teacher to use a phone.

Cell phones cause the most disruptive situations at the Academy. Cell phones guidelines are as follows:

- a. Cell phones should remain off and out of sight during all of the school days.
- b. There will be zero tolerance for filming inappropriate events on your personal cell phone and uploading them to social media.
- c. The Academy is not responsible for lost or stolen cell phones or any other electronic devices.
- d. Cell phone violations are a part of the school-wide discipline plan. See below for the consequences:
1st offense: The teacher will hold the phone for the rest of the school day; it will be returned before the student goes home provided that they have stayed respectful.
2nd offense: The phone will be turned over to the ALC staff and a parent will have to come in and pick up the phone.
3rd offense: The phone will be turned over to the Head of School until the end of the semester.

ADVERTISING OUTSIDE ACTIVITIES

No announcements or posting of outside activities will be permitted without the approval of the Head of School. A minimum of twenty-four (24) hours' notice is required to ensure that the Head of School has the opportunity to review the announcement or posting.

ACADEMY PARTIES

During the COVID19, we are limiting the spread of disease. There will be no visitor's/parent assistance in the classrooms during this time. The only treats that will be allowed are individually prepackaged treats*.

Please contact the teacher FIRST before sending any treats to the Academy. It is the Academy's policy not to pass out Birthday invitations unless there is one for each member of the class. Handing out a few invitations may cause disruption and hurt feelings.

STUDENT LEAVING WITHOUT PERMISSION

Students may not leave the classroom or grounds without permission from any staff member. Students who are angry and leave an area without permission may be suspended. Due to safety concerns for all students, teachers and/or staff this behavior choice will not be tolerated. Consequences for leaving the room or school grounds without permission are as follows:

- 1st offense: 3 days in the ALC
- 2nd offense: 5 days in the ALC
- 3rd offense: 1 day of suspension

GUM

The chewing of gum will not be allowed during the school day. Students should not bring gum to school. PLEASE DO NOT SEND GUM OR GUM PRODUCTS AS A BIRTHDAY OR PARTY TREAT.

*Policy during COVID19 situation

MONEY AND OTHER VALUABLES

If money is being sent to school, parents should:

1. Place the money in an envelope
2. Include a note inside, stating the reason for the money being sent
3. Place the teacher's name and child's name on the outside of the envelope

We discourage parents from allowing children to bring large amounts of money to the Academy. Students are not allowed to bring valuable equipment such as music players, computer games and remote controlled cars, or other electronic toys unless there is a special occasion, and prior permission granted from the teacher and parent. If such items are brought to the Academy they will be confiscated until a parent picks the item up.

STUDENT PICTURES

At this time, there is no plan for school pictures due to COVID19*.

Section II - Academics

FIELD TRIPS

At this time, there are no field trips due to COVID19*.

GRADING PERIODS

Progress reports are sent home to the parents of all students at the midpoint (Sept. 25, Nov. 20, Feb. 4 and April 23). All progress reports are given to the student to take home.

Parent-Teacher Conferences are scheduled in the fall and the spring. The classroom teacher will schedule conferences. Parents may arrange a conference as well with their child's teacher any time during the Academy yearly contacting the teacher or main office and arrange an appointment. The teacher may meet with a parent during their planning period, before or after school.

PROMOTION, PLACEMENT AND RETENTION

Many factors are taken into consideration when a student is promoted to the next level or retained at their current grade level. Each child is treated as an individual case and will be given individual consideration; however, the Academy has a framework to work around.

- We uphold the Third Grade Guarantee protocol; all third grade students must pass the AIR test either in the fall or spring. If they do not pass, the student can take this test in the summer, providing ODE offers it. They will be placed in grade 3 until the results come back from the state which usually extends into the new academic school year.
- The Academy does not endorse social promotion.
- Attendance is an important marker. If a student misses more than 120 hours of school for the entire academic school year, they will be retained. If a student fails to participate in 72 consecutive hours of the learning opportunities offered by the school without legitimate excuse consistent with the school's attendance policy, state law requires the school to automatically withdraw the student from enrollment,
- When spring test scores are published, if a child has passed both reading and math as proficient, the Head of School may consider a discussion on promotion.
- The teachers are to confer also with the Head of School concerning all retentions.

Parents are to be notified of possible retention in writing, near the end of Quarter 3. A final decision will be made at the conclusion of Quarter 4 by the Head of School. This information is put on the grade card and personally signed by the Head of School.

HOMEWORK

The assignment of homework should be expected. Student grades will reflect the completion of all work, including outside assignments. It is the student's responsibility to complete and turn in all homework assignments. Homework is a part of the student's preparation for the standardized tests and graduation.

COMPUTER TECHNOLOGY AND NETWORKS

Before any student may enhance his/her Academy career through participation in the Academy's computer network, she/he and the parent must sign an agreement, which defines the conditions under which the student may participate. Failure to abide by all of the terms of the agreement may lead to termination of the student's computer account and possible disciplinary action consistent with the *Student Code of Conduct* (this handbook) and referral to law enforcement authorities. The Academy retains the right to review and monitor computer equipment and networks, and users of academy computer equipment or networks should have no expectation of privacy.

The use of the Network is a privilege, which may be revoked by the Academy at any time and for any reason. Appropriate reasons for revoking privileges include, but are not limited to, the altering of system software or the plain of unauthorized information, computer viruses or harmful programs on or through the computer system in either public or private files or messages. The academy reserves the right to remove files, limit or deny access, and refer the student for other disciplinary actions. Students may not be on Facebook, or any other social network site on a school computer or a smart phone during the school day.

STUDENT ASSESSMENT

To measure student progress, students will be tested in accordance with State standards and Academy policy. Assessments include:

- NWEA 3 times per year K-8
- Fountas & Pinnell 2-3 times per year K-3
- AIR tests 2 times per year Grade 3
- AIR tests 1 time per year Grades 4-8

Each student will be expected to pass the appropriate Ohio Achievement (AIR) tests. Dates are subject to change by the Ohio Department of Education. Parents will be informed two weeks prior to the State established testing dates.

Other tests given at the Academy help monitor progress and determine educational mastery level. These tests are used to help the staff determine instructional needs. Classroom tests, short cycle and unit tests assess student progress and assign grades. These are selected or prepared by teachers to assess how well the students have achieved specific objectives.

Section III - Student Conduct

ATTENDANCE

It is imperative that students be in attendance each school day in order not to miss a significant portion of their educational experiences. Important learning results from active participation in classroom and other Academy activities, which cannot be replaced by individual study. If your student is participating in hybrid or virtual learning for this school year, attendance is tracked through the AMP online curriculum and participation is important in this model as well.

The Academy is also concerned about helping students develop a high quality work ethic, which will be a significant factor in their success with future employers. One of the most important work habits that employers look for in hiring and promoting a worker is his/her dependability in coming to work every day and on time. This is a habit the Academy wants to help students develop as early as possible in their Academy careers.

Truancy framework:

Habitual truant - a child of compulsory school age who is absent without legitimate excuse for 35 or more hours.

Chronic truant - a child of compulsory school age who is absent without legitimate excuse for 49 hours.

Hybrid and Virtual Students: Lessons and activities are scheduled daily for students to complete. Attendance will be tracked by daily activity completion and the hours logged in to the online curriculum. For example, if 7 days worth of assignments are not completed at the end of the quarter when grades are due, that would equate to 7 days of absences for that child during that quarter.

The Academy adheres to the new legislature - House Bill 410.

<i>Unexcused absences</i>	<i>Action</i>
2 days or 12 hours	Warning letter sent home by school
8 days or 48 hours	TEP - Truancy Education Program
No show for TEP	Informal court hearing
10 days or 60 hours	School requests a conference
12 days or 72 hours	Official court hearing

The Academy will endeavor to work cooperatively with the Richland County of Common Pleas, Juvenile Branch, and appropriate state and local agencies to deal with the issue of habitual and chronic truancy. The Academy will assure:

1. The attendance policy will be issued annually to parent/guardians.
2. The Academy will maintain a "flagging" system to identify absent students as potential habitual and chronic truants before they meet the mandatory timeline for classification as such. Parent/Guardians of these students are to be informed of the concern and consequences of such absenteeism.
3. The Academy has appointed its Head of School (or designee) as the attendance officer for the Academy. This person may be subpoenaed to Court to verify and testify should there be questions about attendance issue.
4. Letters of notification and warning will be sent via certified mail to the parent/guardians of each habitual and chronic truant.
5. The police will be notified when a child meets the habitual truant standard.
6. The Academy will send notice to the superintendent of the public school district where the parent/guardian of the truant student resides.

Teachers are encouraged to consult with the Head of School about a student's attendance problems whether traditional, hybrid, or virtual*, and to suggest to students and their parents that more formal interventions may become necessary.

If an enrolled student is considered a chronic truant, and the enrolled student's parent/guardian fails to compel the student's attendance at the Academy, whether traditional, hybrid, or virtual, the Academy may file a complaint jointly against the student and the student's parent of guardian in the Richland County Court of Common Pleas, Juvenile Branch, in accordance with Ohio law.

*Policy during COVID19 situation

Excused Absences - Students may be excused from the Academy for one of the following reasons and will be provided an opportunity to make-up missed Academy work and/or tests:

- Personal illness, but not illness in the family unless there is a COVID19 quarantine in place or the circumstances are approved by the Head of School
- Death in the immediate family

- Bona-fide religious holiday
- Professional appointments that cannot be scheduled at non-school times
- Absences approved by the Head of School for good cause

Students with a health condition that causes repeated absence are to provide the Academy office with an explanation of the condition from a registered physician.

Notification of Absence -PARENTS MUST PROVIDE AN EXPLANATION FOR THEIR CHILD'S ABSENCE BY NO LATER THAN 9:00 A.M. ON THE DAY OF THE ABSENCE AND SEND A NOTE WHEN THE CHILD RETURNS TO SCHOOL. THIS INCLUDES ALL MODES OF INSTRUCTION-TRADITIONAL, HYBRID, & VIRTUAL.. They are to call the Academy office (419-526-9540) and explain the reason for the absence. If the absence can be foreseen (the "good cause" must be approved by the Head of School), the parent should arrange to discuss the matter as many days as possible before the absence will occur so that arrangements can be made to assist the student in making up the missed school work.

Students with excused absences for more than ten (10) days in a grading period, regardless of the reasons, will be considered "frequently absent". If there is a pattern of frequent absence for "illness", the parent will be required to provide a statement from a physician describing the health condition that is causing the frequent illness and the treatment that is being provided to rectify the condition. Without such a statement, the student's permanent attendance record will indicate "frequent unexplained illness", a possible sign of poor work ethic and irresponsible behavior.

During the next grading period, a "frequently-absent" student will be placed on "attendance watch to monitor whether or not the pattern continues.

As stated earlier, if a student misses 120 hours or more, he/she may be retained, particularly if the student is failing reading and math.

Suspension and expulsion from the Academy - A suspended or expelled student should take self-responsibility for completing schoolwork missed due to suspension or expulsion. It is recommended that a student complete missed assignments during the suspension or expulsion and turn them in to the teacher upon his/her return to school. Assignments may be obtained from the teacher beginning with the first day of a suspension or expulsion. Student will be given credit for properly completed assignments.

Excusable, Non-approved Absence - If a student is absent from the Academy because of illness or vacation, the absence will not be considered truancy, and she/he may be given the opportunity to make up the schoolwork that is missed.

Unexcused Absences - Any student who is absent from the Academy for all or any part of the day without a legitimate excuse may be considered truant and the student and his/her parents may be subject to the truancy laws of the State. After 10 unexcused absences, your child will be placed on "medical status"; requiring a doctor's excuse.

Skipping of classes - The skipping of classes or any part of the Academy day is considered an unexcused absence. Disciplinary action will follow.

Tardiness to class / Tardiness to the start of a school day - A student who is not in his/her assigned location by the start of the Academy day shall be considered tardy. Any student arriving late to the Academy by parent drop-off is to report to the Academy office before proceeding to class. If a bus is late, the Academy office has prior knowledge and students may report directly to class. A pass is required for admittance to class. If a student misses any part of the instructional school day, his/her attendance is affected. They are reported in hours to the Juvenile Court system. Students that are excessively tardy may be assigned after-school detention to make-up the instructional time missed, with no transportation provided.

Make-up Tests and other Academy Work for Excused Absences - Students who are excusably absent from the Academy shall be given the opportunity to make-up work that has been missed. The student should contact the teacher as soon as possible to obtain assignments. Students will be given the same number of days absence within which to make-up work.

Student Attendance at Academy Events - The Academy encourages students to attend as many Academy events held after school as possible, without interfering with their school work and home activities. Enthusiastic spectators help to build Academy spirit and encourage

those students who are participating in the event. In order to ensure that students attending evening events are properly supervised, they will not be allowed to stay after school unattended. Parents must bring them and accompany them during the entire school event. The Academy will not be able to supervise unaccompanied students nor will it be responsible for students who arrive without an adult chaperone. The Academy will continue to provide adequate supervision for all students who are participants in an Academy activity. Student must comply with the Code of Conduct at all Academy events, regardless of the location. Student behavior may prohibit attendance at school events. If a student is not at school that day, they may NOT attend an after-school event.

STUDENT RULES OF CONDUCT

A major component of the educational program at the Academy is to prepare students to become responsible workers and citizens by learning how to conduct themselves properly and in accordance with established standards.

The Student Rules of Conduct apply at all times on Academy owned or controlled property, including buses or other Academy transportation vehicles owned, controlled, or utilized by district students, at Academy activities and functions, and when students are otherwise under the authority of Academy personnel. These rules also apply to conduct by a student that occurs off of property owned or controlled by the Academy but that is connected to activities or incidents that have occurred on property owned and controlled by the Academy. Finally, these Rules also apply to misconduct by a student, regardless of where it occurs that is directed at the Academy official or employee or the property of an Academy official or employee.

The Head of School is deemed to have all the power and authority accorded a principal and a superintendent in a traditional public school. The Board of Trustees is deemed to have all of the power and authority accorded a board of education in a traditional public school district. A copy of this policy shall be posted in a central location in the Academy and made available to a student upon request. No student shall be suspended, expelled or removed except in accordance with this policy.

Expected Behaviors - Each student shall be expected to:

- a. Abide by National, State and Local laws as well as the rules of the Academy
- b. Respect civil rights of others
- c. Act courteously to adults and fellow students
- d. Be prompt to the Academy and attentive in class
- e. Complete assigned tasks on time and as directed
- f. Help maintain an Academy environment that is safe, friendly and productive

The Foundation Academy school-wide progressive discipline plan provides behavioral expectation and procedures that are designed to ensure a safe and caring environment for all students and staff. Foundation Academy will maintain a firm, fair and consistent system for handling behavioral infractions.

Motto:

- S - successful students with positive attitudes

*Policy during COVID19 situation

Consequences for Dress Code Violations - Students will not be allowed to sit in class with dress code violations. An effort should be made to rectify the violation. Students with dress code violations that are NOT able to be rectified, will be sent to the ALC. Parents will be contacted to bring appropriate clothing. Students will not return to class until the violation is rectified.

STUDENT RIGHTS OF EXPRESSION

The Academy recognizes the right of students to express themselves. With the right of expression comes the responsibility to do it appropriately. Students may distribute or display, at appropriate times, non-sponsored, noncommercial written material and petitions; buttons, badges or other insignia; clothing, banners, and audio/video materials. All items must meet the following Academy guidelines:

A. A material cannot be displayed if it:

1. is obscene to minors, libelous, indecent or vulgar
2. advertises any product or service not permitted to minors by law
3. intends to be insulting or harassing
4. intends to incite fighting or presents a likelihood of disrupting the Academy or an Academy's event.

B. Materials may **NOT be displayed or distributed during class periods, or transitions. Permission may be granted for display or distribution during lunch periods and after school in designated locations, as long as exits are not blocked and there is proper access and exit to the building.**

Students who are unsure whether or not materials they wish to display meet Academy guidelines may present them to the Head of School twenty-four (24) hours prior to display.

STUDENT CONCERNS, SUGGESTIONS AND GRIEVANCES

The Academy is here for the benefit of the students. The staff is here to assist each student in becoming a responsible adult. If a student has suggestions that would improve the Academy, she/he should feel free to offer them. Written suggestions should be presented directly to the Head of School or to the student government.

When concerns or grievances arise, the best way to resolve the issue is through communication. No student will be harassed by any staff member or need to fear reprisal for the proper expression of a legitimate concern. As with suggestion, concerns and grievances may be directed to the principal.

A student may have the right to a hearing if the student believes he/she has been improperly denied participation in an Academy activity or has been subjected to an illegal rule or standard. A student may not petition to have a change in grade.

STUDENT CODE OF CONDUCT

The Board of Trustees has adopted the following Student Code of Conduct. The Code includes the types of misconduct that will subject a student to disciplinary action and the procedures for implementing disciplinary action.

It is the Academy's staff's responsibility to provide a safe and orderly learning environment. History has shown that certain student actions are not compatible with a "safe" and "orderly" environment. Discipline is within the sound discretion of the Academy's staff and administration.

The following provides examples of major areas that could result in disciplinary action. The absence of a behavior or any specific action from the list does not mean that such conduct does not violate the discipline code or cannot be disciplined.

Each of the behaviors described below may subject the student to disciplinary action including suspension and/or expulsion from the Academy and/or notification of law enforcement authorities.

1. Conduct involving drugs

The Academy is a DRUG-FREE zone within the boundaries of the Academy safety zone established by State law as well as to any Academy activity and transportation. This means that any activity - sale, distribution, or use of drugs, alcohol, fake drugs, steroids, inhalants, or *look-alike drugs* are prohibited. If caught, the student could be suspended or expelled and law enforcement officials may be contacted. Sale also includes the *possession of sale of over-the-counter or prescription medication to another student*.

2. Use of breath-test-instruments

The Head of School or designee may arrange for a breath test for blood-alcohol to be conducted on a student whenever he/she has individualized reasonable suspicion to believe that a student has consumed an alcoholic beverage. Imposition of a breath test is at the discretion of the Academy, and discipline may be imposed without a breath test upon other evidence of use of alcohol.

The student will be taken to a private administrative or instruction area on Academy property with at least one (1) other member of the teaching or administrative staff present as a witness to the test. The purpose of the test is to determine whether or not the student has consumed alcoholic beverage. The amount of consumption is not relevant, except where the student may need medical attention. If the result indicates a violation of Academy rules as described in this handbook, the student will be disciplined in accordance with disciplinary procedures described in this handbook. If a student refuses to take the test, he/she will be advised that such denial will be considered an admission of alcohol use. A disciplinary consequence may follow,

3. Use of tobacco/Possession of tobacco / Nicotine products

Smoking, other tobacco use and/or vapor cigarettes are a danger to a student's health and to the health of others. The Academy prohibits the : distribution, use or possession of any form of tobacco during Academy time or at any Academy activity. This prohibition also applies when going and from the Academy and at Academy bus stops. Violations of this rule could result in suspension or expulsion.

4. Student disorder - demonstration

Students will not be denied their rights to freedom of expression, but the expression may not infringe on the rights of others. Disruption of any Academy activity will not be allowed. If a student (or students) feel there is need to organize some form of demonstration, he/she is encouraged to contact the Head of School to discuss the proper way to plan such an activity. Students who disrupt the Academy may be subject to suspension or expulsion.

5. Possession of a weapon

A weapon includes conventional objects like a firearm, guns, pellet guns, ammunition, knives, or club type instruments. It may also include any TOY that is presented as a real weapon or reacted to as a real weapon. A "firearm" has the same meaning as provided in the "Gun-FREE school Act of 1994": 108 Statute 270, 20 USC 8001(a).

A knife is any instrument that possesses a pointed or sharp-edged blade of metal or other rigid material and that is designed or can be used for cutting, slicing or stabbing. This definition shall include, but is not limited to: straight razors, razor blades, utility knives, box cutters, ice picks pocket knives, switch blades and hunting knives. Possession of a weapon may subject a student to suspension or expulsion. It makes no difference whether or not the weapon belongs to someone else, unless the student can provide convincing evidence that the weapon was placed in the student's possession without his/her knowledge. If it can be confirmed that a weapon was brought on Academy property by a student other than the one who possessed the weapon, that student shall also be subject to the same disciplinary action.

A student may be expelled from the Academy, if he/she brings onto or has in his/her possession on Academy property or at an Academy related activity any of the following:

- A. any explosive, incendiary, or poison gas including bombs, grenades, rockets, missiles, mines, or device that can be converted into such a destructive item.
- B. a knife
- C. any firearm or similar object(s) that are intended to invoke bodily harm or fear of bodily harm (e.g. air gun, blow-gun, toy gun, etc.)

6. Use of an object as a weapon

Any object that is used to threaten, harm or harass another may be considered a weapon. This includes but is not limited to padlocks, pens, pencils, laser pointers, jewelry and so on. This violation may subject a student to suspension or expulsion.

7. Knowledge of dangerous weapons or threats of violence

Because the Board believes that students, staff members and visitors are entitled to function in a SAFE Academy environment, students are required to report knowledge of dangerous weapons or threats of violence to the Head of School. Failure to report such knowledge may subject the student to discipline.

8. Purposely setting a fire or attempting to set a fire

Anything, such as fire, that endangers Academy property and its occupants will not be tolerated. Arson will subject the student to suspension or expulsion.

9. Physically assaulting a staff member / student / person associated with the Academy

Physical assault at the Academy against an Academy employee, student volunteer, or contractor, or another, which may or may not cause injury may result in charges being filed and subject the student to suspension or expulsion. Physical assault is defined as "causing or attempting to cause physical harm to another.

10. Verbally threatening a staff member / student / person associated with the Academy

Verbal assault at the Academy against an Academy employee, volunteer, or contractor or making bomb threats or similar threats directed at an Academy building, property or Academy-related event will be considered verbal assault. Verbal threats or assault may result in suspension and expulsion. Verbal assault is a communicated intent to inflict physical or other harm on another person, with a present intent and ability to act on the threat.

11. Extortion

Extortion is the use of threat, intimidation, force or deception to take, or receive something from someone else. Violations of this rule will result in disciplinary action up to and including suspension and expulsion.

12. Gambling

Gambling includes casual betting, betting pools, organized-sports betting, and any other form of wagering. Students who bet on an activity in which they are involved may also be banned from that activity. Violations of this rule could result in suspension or expulsion.

13. Falsification of schoolwork, identification, forgery

Forgery or hall passes and excuses as well as false I.D.'s are forms of lying and are not acceptable. Plagiarism and CHEATING are also forms of falsification and subject to the student to academic penalties as well as disciplinary action. Violators of this rule could result in suspension or expulsion.

14. Explosives

Explosives, fireworks, and chemical-reaction objects such as smoke bombs, pipe bombs, bottle bombs, small firecrackers, and poppers are forbidden and dangerous. Violations of this rule could result in suspension or expulsion.

15. False alarms, false reports, and bomb threats

A false emergency alarm, report or bomb threat endangers the safety forces that are responding, the citizens of the community, and persons in the building. Violations of this rules could result in suspension or expulsion. The Head of School may expel a student from the Academy for a period of up to one year for making a bomb threat to an Academy building or to any premises at which an Academy activity is occurring at the time of the threat. An expulsion shall extend, as necessary, into the school year following the school year in which the incident that give rise to the expulsion takes place.

16. Trespassing

Although schools are public facilities, the law does allow the Academy to restrict access on Academy property. If a student has been removed, suspended, or expelled, the student is not allowed on Academy property without authorization of the Head of School. In addition, students may not trespass onto Academy property at unauthorized times or into areas of the Academy determined to be inappropriate. Violations of this rule could result in suspension or expulsion.

17. Theft

When a student is caught stealing Academy or someone's property, he/she will be disciplined and may be reported to law enforcement officials. Students are encouraged not to bring anything of value to Academy that is not needed for learning without prior authorization from the Head of School or a teacher.

18. Care of property

Students are responsible for the care of their own personal property. The Academy is not responsible for personal property. Valuables such as jewelry or irreplaceable items should not be brought to the Academy. The Academy may confiscate such items and return them to the student's parent only.

Damage to or loss of Academy equipment and facilities wastes taxpayer's money and undermines the Academy program. Therefore, if a student does damage to or loses Academy property, the student or his/her parents will be required to pay for the replacement or damage. If the damage of loss was intentional, the student will also be subject to discipline according to the Student Code of Conduct.

Vandalism and disregard for Academy property will not be tolerated. Violations could result in suspension or expulsion, and repayment to the Academy of the costs of repair or replacement of the damaged property,

19. Disobedience - Insubordination

The Academy staff is acting "in loco parentis", which means they are allowed, by law, to direct a student, as would a parent. This applies to all staff, not just teachers assigned to a student. If given a reasonable direction by a staff member, the student is expected to comply. Disobedience can result in suspension or expulsion. Insubordination is defined as students refusing to comply with a reasonable directive by an adult in a rude, insolent manner. This can result in suspension or expulsion.

Refusing to accept discipline - The Academy may use informal discipline to prevent the student from being removed from school; however, when a student refused to accept the usual discipline for an infraction (insubordination), the refusal can result in a stricter action such as suspension and or expulsion.

20. Persistent absence or tardiness

Attendance laws require students to be in school all day or have a legitimate excuse. It is also important to establish consistent attendance

habits in order to succeed in school and in the world of work. Excessive absence could lead to retention, suspension or expulsion. Tardies and absences are counted in hours; therefore, 120 hours will automatically retain a child. There is no summer school for the summer of 2019.

21. Unauthorized use of Academy or private property

Students are expected to obtain permission to use any Academy property or any private property located on Academy premises. Any unauthorized use shall be subject to disciplinary action. This includes use of the Internet and communication networks in a manner not sanctioned by policy and administrative guidelines. Violation of this rule could result in suspension or expulsion.

22. Aiding, abetting and/or inciting violation of Academy rules

If a student assists another student in violating any Academy rule, they will be disciplined and may be subject to suspension or expulsion. Students are expected to resist peer pressure and exercise sound decision-making regarding their behavior. Inciting (encouraging others) To a fight is one example that may result in a suspension or expulsion.

23. Display of affection

Students demonstrating affection between each other are personal and not meant for public display. This includes touching, hugging, kissing, Petting, or any other contact that may be considered sexual in nature. Such behavior may result in suspension from the Academy or possible expulsion. Inappropriate touching can be considered sexual harassment. This is a serious violation which can result in suspension, expulsion and/or police report. Smacking someone's buttocks can lead to a police report.

22. Violation of Academy rules/expectations (hallway, transition, cafeteria, bus lines, classroom, etc.)

Disruption of the educational process - any actions or manner of dress that interferes with Academy activities or disrupts the educational process is unacceptable. Such disruptions also include delay or prevention of lessons, assemblies, field trips, athletic and performing arts events.

Each learning environment has different rules for students. Individual rules are for the safe and orderly operation of that environment. Student will be oriented to specific rules, all of which will be consistent with the policy of the Academy. While every attempt will be made to teach / re-teach appropriate behavior, persistent violators of rules could result in suspension or expulsion.

There will be a coordinated effort to support the teaching of our professional staff members as well as the learning of the students in their classrooms. In an effort to support the academic process, the following process will be implemented for unruly students. **A student will be removed from the class "if, in the judgement of the teacher, the student has engaged in behavior that seriously interferes with the ability of the teacher to teach the other students and the ability of the other students to learn.**

Various interventions may be tried to extinguish poor behavior choices. Time out may be given, loss of privilege, detention, or a teacher may write a behavioral referral. Once the teacher has made this decision, the student will be assigned to ALC (Alternative Learning Center) in which their studies will continue but they are separated from other students. The student will not be sent back into the teacher's classroom and they will have a meeting with the teacher, ALC staff, and/or the Head of School - principal. Once the student has been placed in the ALC, a parent will be contacted by an ALC staff or the Head of School. If repeated offenses mount, the student may be placed on an administrative behavior contract that may result in stricter consequences, ending in expulsion.

General guidelines for ALC assignments:

Class Disruption (CD) -- 1-5 days in the ALC; parent conference may be requested

Profanity - general profanity 1-2 day ALC for first offense

the "F" word or a derived word or gesture meaning the same thing: 1st offense 3 days 2nd offense 5 days 3rd suspension

Insubordination, disrespectful attitude and/or unruly behavior - ALC or suspension; parent contacted

Not keeping your hands and feet to yourself: 1-5 days in the ALC

Skipping Class - 1 day of ALC plus loss of learning time doubled
