Greetings Foundation Academy Families:

On behalf of the staff, I am happy to welcome you to the 2022-23 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily and arrives on time, ready for the day's learning experience
- 2) Completes all homework assignments given by teachers
- 3) Reads daily to develop a love for reading and to improve literacy skills
- 4) Shares school experiences with you so that you are aware of his/her school life
- 5) Informs you if he/she needs additional support in any area or subject

During the course of the year, it is my hope that we will continue to work together to provide our scholars the best opportunities in preparing them to be productive citizens and creative, critical thinkers!

We are proud to announce that our addition to our cafeteria has been completed. It is equipped with sound-proof barriers and is fully air-conditioned.

Again, we thank you for choosing Foundation Academy as your choice of educational advancement and success. Our door remains open and I welcome your questions, concerns, and suggestions. Please feel free to stop in or call to make an appointment with our Administrative Assistant, Miss Julie Cornell. We look forward to making this year our best year yet!

Yours in Education,

Mitzi Kimani, Principal
